Free PowerPoint Online vs PowerPoint Which Do Do you have to pay for Microsoft PowerPoint or is the free PowerPoint Online good enough Find out in our comparison. PowerPoint and PowerPoint What s the Difference Six years is a long time in software development PowerPoint contains a raft of improvements over its predecessors Can you spot what s changed Download Microsoft PowerPoint Free votes Download Microsoft PowerPoint Free The creation of multimedia presentations using slideshows has a name Microsoft PowerPoint, Office s tool to bring your ideas to life and represent them. How to Create a Photo Album in PowerPoint dummies Photo album is just PowerPoint s term for inserting many photographs into a presentation all at once You don t necessarily have to stuff the photo album with travel or baby pictures for it to be a proper photo album. How to Add Sound to Your Slides in PowerPoint One of the cool things about PowerPoint is that it lets you create slides that contain not only text and pictures but also sounds You can

configure the sound object to play automatically whenever you display the slide, or you can set it up so that it will play only when you click the
